

CAMP BABCOK-HOVEY SIX HOLE DISC GOLF COURSE

What is Disc Golf?

Disc Golf, commonly known as Frisbee Golf, is the most amazing sport ever invented! Played like traditional ball golf, Disc Golf involves throwing a disc from a tee off point to a target (usually a metal basket with chains). Players will keep count of throws (or strokes); the lowest number of strokes wins. And that is how you play disc golf.

Hole	Distance	Strokes	Par
1	55 ft		2
2	270 ft		4
3	275 ft		5
4	660 ft		10
5	300 ft		5
6	350 ft		5
Total	1910 ft		31

The following are the disc golf rules for recreational play. The rules are simple and are easy to learn and are meant to provide the basic framework for playing the game. If you are unfamiliar with the sport of disc golf

Objective of the Game

Disc Golf is played like traditional “ball” golf, but with flying discs instead of balls and clubs. One point (stroke) is counted each time the disc is thrown and when a penalty is incurred. The objective is to play each hole in the fewest strokes possible. The player with the lowest total strokes for the entire course wins.

SAFETY FIRST

Never throw when non-players or other players are within range. Always give non-players the right of way. Be aware of your surroundings and environment.

Tee Throws

Each hole begins with a tee throw. Tee throws must be completed within or behind the designated tee area.

Lie

The lie is the spot where the player’s previous throw has landed. Mark lie with a mini disc or turn over the thrown disc, directly towards the hole or designated fairway. The player’s subsequent throw is made from directly behind the marked lie.

Throwing Order

The player with the least amount of strokes on the previous hole is the first to tee off on the next hole. After teeing off, the player whose disc is farthest from the hole always throws first.

Fairway Throws

Fairway throws must be made from directly behind the lie. A run-up and normal follow-through, after release, is allowed, unless the lie is within 10 meters of the target. Any shot within 10 meters of the target requires that the player not move past the lie until the disc is at rest.

Dogleg (or Mandatory)

A dogleg is one or more designated trees or poles in the fairway that must be passed as indicated by arrows. Until the dogleg is passed the closest foot to the dogleg must be on the lie when the disc is released.

Completion Of Hole

A disc that comes to rest in the Disc Pole Hole® basket or chains constitutes successful completion of that hole.

Unplayable Lie

Any disc that comes to rest above the ground is considered an unplayable lie. The disc must be thrown from the lie on the ground, directly underneath the unplayable lie, relocated to avoid damage to the vegetation.

Out Of Bounds

If any area of O.B. is visible between the disc and O.B. line, then the disc is considered O.B. A throw that lands out of bounds, must be played from a point 3 feet in bounds from where the disc went out of bounds. Permanent water hazards and public roads are always out of bounds.

Penalties

Recreational players will not be penalized for rule infractions. Other players will keep you honest.

Course Courtesy

Remain quiet and avoid unnecessary movements while others are throwing.

Stand behind the player who is throwing until throw is complete.

Remove disc from Disc Pole Hole® after completing the hole.
