## Short Description

Geocache is not an Ammo Box, It is something a little bit different.

## Long Description

This Geocache has been placed so Boy Scouts can complete requirement #7 of the Geocaching Merit Badge. It is being placed at its current location so non-scouts can locate it also but it is still on camp property so the scouts don't have to leave camp to find it.

A little bit about the camp-

Located in the midst of the scenic Finger Lakes region of western New York State, Camp Babcock-Hovey sits on the east shore of Seneca Lake and spans 350 acres of woodlands and fields. This site serves as a gateway to summer camp Scouting adventure. Over 1,000 youth enjoy summer camping at Camp Babcock-Hovey every summer. More info can be found at <http://senecawaterways.org/camping/camps/babcockhovey>

In 1937 Gordon Hovey and Birton Babcock purchased and donated the land that makes up the present day site of Camp Babcock-Hovey. Two years later, after construction of the initial camp facilities, the camp was formally dedicated and opened. It has been running continuously ever since. More History can be found at <http://bhalum.org/history/>

From September through June each year, the camp facilities are available to rent to outside groups. The Eagle Lodge is a great lodge for large gatherings. Pedersen Lodge and the Winter Cabins are a little bit more rustic if that is your style. Outdoor camping runs year round. For more information check out
